How to read this

Each circle is the HPD-20's playing surface, seen from where you sit: **S1–S8** around the top edge, **M3/M4** inside them, **M5** in the center and **M1/M2** the bottom halves.

hard: a second sound for hard hits (play soft for the first).
+ a second sound layered under the first.
Notes in bold are the pitch a melodic pad plays.
★ your own imported sounds (User Inst).

D-BEAM (above each circle): wave a hand over the sensor. The **kick pad** plugs into TRIG IN, the **hi-hat pedal** into HH CTRL.
